MOTTO AND DEDICATION

"….Do your best, God will do the rest…. "

This Final Report is dedicated to:

My beloved parents, who have raised me well, supported me, trusted me, and prayed for me all the time. This is incomparable with what they have sacrificed for me, yet I hope that this small step will become a giant leap of progress in the future to make them happy.

ABSTRACT

Virgiansa, Adam. 2021. *Creating a Website for Reading Comprehension*. Final Report. D3 English, Program Merdeka University of Malang. Advisor: Karlina Karadila Yustisia S.Pd., M.Pd.

Key Words: Reading Comprehension, ICT, Website.

Advances in technology that are increasingly modern, especially in the field of ICT have now provided great benefits in the world of education, website development for some of the use of technological advances and ICT. To improve skills in Reading Comprehension we can use the quiz method so that we know how much that we understand from Reading Comprehension. With today's technology, it is possible for us to create websites in the field of education, especially for reading comprehension websites. The purpose of making the final report and Reading Comprehension website is to overcome the problems that exist in the ongoing development of ICT by creating a Reading Comprehension website. Making the Reading Comprehension website using the Nicepage application and Visual studio code as well as programming languages, CSS, JavaScript, and HTML are used as website creation, which aims to make it easier for users and developers to retrieve and manipulate data.

ACKNOWLEDGEMENT

First of all, I would like to express his deepest gratitude to Allah SWT for His blessings so that this final report can be completed on time. I know, without the guidance of Allah SWT this final report might not have been completed on time. I am also very grateful for the support, contributions, and suggestions from many people so that they helped him make the final report perfectly.

Second, I would like to extend my deepest gratitude to my parents, Nur Arohmad and Misena who always prays for me, supporting me in every situation and do not hesitate to scold if the writer starts to become lazy in working on this final report. I will not forget all of his beloved friends who always support the writer in difficult situations.

Third, I'm deeply indebted to Karlina Karadila Yustisia S.Pd., M.Pd. as my advisor for your support, directive, and kindness with great patience in helping and guiding me in completing this final report.

Fourth, to Drs. Suatmo Pantja Putra, M.Pd., the head of D3 English Program which has provided very useful support for the making of this Final Report.

Fifth, I really appreciate all the lecturers, who never tire of providing knowledge that is very useful for the future in completing studies with satisfactory grades. Many thanks to all staffs of the D3 English Program for their help and services.

Sixth, I also thank my senior Rizky Alfiansyah who helped me with my final report and gave me ideas, and helped a lot.

Seventh, I would like to thank my partner, Dwi Cahyani Kurniawati, who has supported me and helped me in difficult times, also I am grateful that she is my savior in my life.

Eight, I would like to express my deepest gratitude to Febrianto Kristian for assisting in creating the website, providing suggestions, and providing ideas for this final report.

Ninth, I thank my fellow classmates in the D3 English Program, especially Erwin David and Rara Ardia Nafisa. Thank you for all the advice, and all the help you have given me. I wish I could repay all of your kindness.

Last but not least, special thanks to my beloved friends, Jeremy Christian Julianto, Aswin Paulus Nayan, and Ulinia Febri Agasta who always help me in college, invaluable contributions, ingenious suggestions, and supporting me in writing this final report and on my life.
